**Sponsored by the continuing Education Department  
of Lancaster Seminary**

Are you dreading the summer months? Does the thought of planning music and worship for the summer leave you feeling drained? During this time, worship can sometimes be lacking in energy as folks are on vacation and choirs are taking a break. Our praise to God, however, is never out of season.

Here is a unique workshop to add life and integrity to your summer worship. With this seminar you will find creative tools for worship based on the summer lectionary. Prayers, confessions, litanies, and music are designed with expansive language. A diverse range of hymns and songs will be presented in ways that your congregation will love. Discover simple techniques for using small groups and ensembles to enhance the people's song. The workshop is designed for pastors, church musicians and lay leaders.

The seminar will be held at:

St. Peter's United Church of Christ  
816 Buchanan Ave.  
Lancaster, PA 17603

The cost is \$25.00 and checks may be made out to Lancaster Theological Seminary. To register you may call 717-290-8758 or email Rikki Jones at [rjones@lancasterseminary.edu](mailto:rjones@lancasterseminary.edu)
